MEMORANDUM FOR THE RECORD

25X1

SUBJECT: Conversation of 20 December 1978

25X6

1. Started with the North Korean Order of Battle. Brzezinski

a. The rest of the briefing went well. There really didn't seem to be deep interest in the subject. Whether this was because I didn't arouse it or there wasn't concern, I don't know. I mentioned that there could be a combination of accusations of intelligence failures and of deliberate delays.

b. I said that we would submit to Brzezinski and Vance a suggested plan of action for notifications.
